

12.0 PROPERTY MAINTENANCE

Purpose

To establish the policy for property maintenance.

Policy

EAFab Corporation goal is to provide its customers and employees with a safe facility. The following guidelines will help management determine if needed repairs are necessary.

Guidelines for Property Maintenance and Repair

Property maintenance and repair will be performed to meet the standards of any applicable codes, including, but not limited to:

Occupational Safety and Health Administration (OSHA) National Fire Protection Association (NFPA) which include National Electric Code

Flammable Liquids Code

Life Safety Code National Fuel Gas Code Uniform Fire Code (UFC)

Building Officials and Code Administrators International Building Code (BOCA) Americans With Disabilities Act (ADA)

Continued operation of the business

Management must promptly, as appropriate, fix, repair, train employees, and/or give warnings of safety hazards. Management must promptly fix or repair any item necessary for the continued operation of the business. In the event an accident occurs, Pedro Quiroga will fill out the Liability Report Form on the next page and maintain a record thereof.
