

SAFETY AND HEALTH PROGRAM

8.0 PERSONAL PROTECTIVE EQUIPMENT

Purpose

To establish the policy for employees to wear Personal Protective Equipment.

Policy

EAFab Corporation is dedicated to providing a safe and healthy workplace. All employees are expected to do their part to achieve this goal. Employees can do their part by using the proper Personal Protective Equipment (PPE) provided them. A training will be provided and documented.

Personal Protective Equipment will be provided, used and maintained in a sanitary and reliable condition wherever it is necessary to prevent injury. Personal Protective Equipment requirements include, but are not necessarily limited to the items below:

EAFAB Minimum requirements

 EAFab Where you find REAL solutions	Hard Hat	Safety Glasses	Clear Face Shield	Dark Face Shield	Welding Hood	Ear Plugs	Disposable Dust Masks	Welding Gloves	Work Gloves	Flame Ret. clothing	Safety Boots	Knee pads

Working under workers	X	X				X			X		X	
Working on your knees											X	X

The workplace is assessed to determine if hazards are present, or are likely to be present, which necessitate the use of personal protective equipment (PPE). If such hazards are present, or likely to be present: (a) Select, and have each affected employee use, the types of PPE that will protect the affected employee from the hazards identified in the hazard assessment; (b) Communicate selection decisions to each affected employee; and (c) Select PPE that properly fits each affected employee. The hazard assessment shall be certified by the person who completed the hazards assessment and the date the assessment was completed.

Protective Headwear

Where there is the exposure of overhead danger from falling objects or from electric shock or burns, protective headwear must be worn. Protective headwear is an approved hard hat that meets the requirements of the American National Standards Institute (ANSI Z889.1-1969).

Protective headwear will be issued to the required employees. Employees are responsible for using their hard hats while working. Also, employees must notify their supervisor about a damaged or lost hardhat immediately.

Protective Eyewear

When there is an exposure to the eyes from flying objects, glare or liquids, protective eyewear is required. Protective eyewear is an approved safety eye protector or safety goggle, which meets the standards of the American National Standards Institute (ANSI Z87.1-1968).

Protective eyewear will be issued to the required employees.

Disposable Dust Masks

When there is the potential of exposure to airborne nuisance dust or particles, disposable dust masks are required.

Protective Gloves

When there is an exposure to the hands, protective gloves are required. Protective gloves are construction type work gloves and chemical resistive gloves.

Construction type work gloves are required for, but not limited to, employees that have an opportunity of cutting, pinching, hitting, or burning their hands.

Chemical resistive gloves are required for, but not limited to, employees that have an opportunity of spilling hazardous chemicals or corrosive material onto their hands.

Payment

Personal protective equipment (PPE), used to comply with 29 CFR 1910.132 and/or 29 CFR 1926.95, shall be provided by the Company at no cost to employees. Please refer to 29 CFR 1910.132 (h) and/or 29 CFR 1926 (d) for specifics.
